

## The Dogs and Us

Most people think dogs are good for your health. You can take you dog on a walk, exercise and chill out. A friendly dog makes you happy and loved. My dog was my friend I talked to her.

When I was little I lived in a place with lots of police chase, and trouble. My dog Lou Lou looked after me, she made me feel safe. I was scared at night time Lou Lou cuddled me, kept me warm.

“Animals have the ability to create connections that transcend racial, cultural, physical and socioeconomic differences,” says Dr Sandra McCune, scientific leader in human-animal interaction at the Waltham Centre for Pet Nutrition. “Simply seeing people out walking dogs can also make a neighbourhood feel safer, particularly for women.” (Telegraph)

Children who grow up with dog it helps to stay healthy and exercise. It teaches kids to be responsible for the dog. They learn understanding and feelings.

Some people have hearing dogs they wear burgundy day jackets. The charity it called “Hearing Dogs for the Deaf”. The dogs make people happy rest of their life and they help people with people and noises. By Kye
