

6th FORM COLLEGE ROUNDUP

2017-18 has been an excellent year for all our students.

The Sixth Form staff at college thought you might like to hear what they have all been doing.

Engineering

James has completed his Level 3 Engineering (Manufacturing) along with additional Maths for Engineers. He is hoping to go to the National College for High Speed Rail in Doncaster once his sponsorship is sorted out. James made a fabulous disability cycle for his major project this year. He had some help from his old friend Jonathan Thornton who came in to help with the spray painting.

Painting & Decorating

Uzair has now completed Level 2 course and won an award for his excellent attendance. He wishes to stay with us for a further year to compliment this by studying plastering. This combination will give him excellent job prospects in a growing construction industry.

Carpentry

Peter has been a fantastic student who will be leaving St John's 6th form after 4 years. He has produced some wonderful work and achieved Level 3 in Site Carpentry. Peter passed his CSCS card to work on building sites and will be starting an apprenticeship.

Lyla has completed Level 2 Site Carpentry. Her goal is to become an apprentice and she is seeking employment but will start Level 3 Joinery with us in September.

Motor Vehicle

Jack and Arbaaz have done very well this year, successfully completing Level 1 Light Vehicle Maintenance. Jack will be leaving St John's this summer and will be looking for an apprenticeship or other employment.

Arbaaz is continuing at York College next year and will be moving on to Level 2 Motor Vehicle. He has also completed his NPLQ (National Pool Lifeguarding Qualification) and can now be employed as a life guard in any sports centre.

Construction

Josh has completed Level 1 Brick both theory and practical. Josh is hoping to continue his studies at York College next year.

James has had a good introduction to many of the trades in construction this year. Next year, James will specialise by beginning a Level 1 in Plastering. James was also awarded Student of the Month by college, for his presentation on deaf awareness.

Catering

Ibrahem has had a successful year on an Introductory Catering course. He has enjoyed working front of house and working evenings in Ashfields Restaurant.

He has improved his cooking skills and learned to use different equipment. Next year, Ibrahem hopes to continue his education at York College.

Business

Scarlet has had a good year, completing her first year of a Level 3 Business course. She also took part in an Enterprise Day, raising money for York boat charities. Her team planned and manned a cake stall which was really successful. She has made new friends and fitted in very well with the challenging environment of York College.

Health and Social Care

Lara has had a fantastic final year on Level 3 Health and Social Care and has a place at Sheffield Hallam to study for a degree in Nursing. Congratulations to Lara also on passing her theory test!

This year, **Demi** has achieved Level 3 Certificate Health & Social Care. She has thoroughly enjoyed her work placement at Wharfedale House care home in Wetherby. Demi is still making plans for next year.

Askham Bryan College

Lauren has successfully completed her final year with St John's 6th Form, achieving Level 3 Animal Care Companion with good grades. She had a fantastic work placement at 'Appy Dogs in Tadcaster and worked extremely hard. Lauren is now looking for a role to suit her skills but she has already found herself a summer job.

In her final year with us, **Tia** has successfully completed a Level 2 in Equine Studies. She has worked very hard to achieve this and also greatly improved her English and Maths skills. She hopes to find work in an equestrian yard, initially as a groom and carrying out general duties. Her long term ambition is to become a riding instructor.

Rory & Matthew have had a great year learning how to grow vegetables, fruits and flowers. Matthew has enjoyed meeting new classmates and joining in with class activities such as planting lettuce and raspberry plants. Rory has enjoyed planting fruits and vegetables, learning to use gardening equipment and creating a water system for the indoor plants. Matthew and Rory will continue their studies at Askham Bryan next year.

Performing Arts

Megan had an outstanding year at York College achieving excellent grades on Level 3 Performing Arts. Megan took on two roles in the final year's production of Everyman in the Alan Ayckbourn Theatre and will study BA Drama and Film at Hull University next year.

Child Studies

Catherine has completed the first year of her Level 3 Child Studies and has really enjoyed her work placement with Brook Babes in Wetherby. She hopes to continue to study at York College next year.

We hope you will agree that all our students have done the school proud with their achievements this year and you will join us in wishing all of our leavers the best of luck for the future.
